

The Roofing Store

Regional Business Development Manager

About our company:

The Roofing Store is a New Zealand owned and operated company, producing superior high-quality lightweight roofing solutions. We are one of the leading suppliers who manufacture and create long run roofing, metal tiles, architectural steel roofing, cladding systems, rainwater products and all the accessories required.

About the role:

This outstanding opportunity will see you constantly challenged & rewarded! We simplify the process of selecting new metal roofing; making it easy and affordable, and we're looking for someone to come on board to tell potential customers just that!

We are on the hunt for a hunter and gatherer that is extremely driven by bringing in the sales, and motivated to take ownership of their region and identify and drive the business with new and existing clients.

We want someone to work all the angles, do the research required to reign in potential clients and prepare proposals to knock their socks off! We require a self-starter who wants to do more and has all the qualities of a superstar sales guru! We have big plans for 2019 and room for an ambitious Regional Business Development Management to help us grow!

Location:

Tauranga/Waikato

What we need from you!

To be successful in this role, you will be a true business development professional with the ability to quickly build rapport and trust at all levels of the business. Coupled with being a self-starter who is excited about, and proud of delivering exceptional results.

- Metal roofing background and knowledge of the construction industry (highly desirable)
- An existing client base and network in roofing/construction would be an asset
- Passionate & driven self-starter with the ability to work autonomously & deliver results
- Outstanding communication in both written & verbal formats
- Highly motivated by developing business in B2B

What we have on offer:

- Aside from the fantastic remuneration package, you will be joining a respectful and supportive culture in a company which fosters both professional and personal development.
- A parent company that specializes in all stages of the supply chain for steel – meaning your opportunities and support network are wide
