

# MACHINE OPERATOR

We're currently seeking a motivated and highly skilled individual to join the team as a Laser & Press Machine Operator running our Amada Laser plate profile cutting machine

**The key responsibilities for this role are**

- Scheduling work – through check order requirements
- Material section – select correct plates, grade, measure and quality
- Loading and unloading machines using gantry cranes and fork hoists
- Running an Amada laser profile cutting machine
- Machine operating load, program and follow SOPs in correct order
- Achieving the DIFOTIS targets
- Adhering to and ensuring safe work practices
- Checking quality and adherence to customer expectations
- Abiding by machinery maintenance programmes

**Our ideal candidate will have the following skills:**

- Gantry/fork hoist license
- Laser experience essential
- Heavy plate pressing experience (300MT plus) essential
- Steel plate processing/plasma preferred
- Steel handling experience essential
- Health and Safety knowledge and consideration essential
- Good literacy (written and verbal) and math skills

**Our ideal candidate will have the following attributes:**

- Attention to detail and results focused
- Technically minded
- Trustworthy and reliable
- Team player
- Good attitude/work ethic
- Listens and follows instructions
- Must be able to pass a drug test
- Good communication skills

For the right person for this role we are offering a competitive hourly rate, plus overtime allowances. The role is Monday – Friday hours, with some occasional weekend work required.

**Our Company:**

**Plate Solutions** is a New Zealand steel processor and distributor who specialises in plate profiling. Occupying a strong foothold in the market, they maintain the attitude of their parent company with a dedication to consistency and quality. Located in a bustling factory in Manukau, you'll be working with a supportive and skilled team who work hard but enjoy a down to earth work environment.

**Send your CV and Cover Letter through to [careers@platesolutions.co.nz](mailto:careers@platesolutions.co.nz)**

**Disclaimer**

Unfortunately, we don't always have the time to respond to all applicants. Only candidates who match the required level of skills and experience will be contacted
