

## Rigger

This is your legacy, step back and see what only the fearless can accomplish! YOU will be well looked after, we pay the best!

- Close-knit and supportive team environment
- Job stability and career growth opportunity
- Immediate start - West Auckland location

**Leading Edge Fabrication** is a specialised structural steel fabrication and installation company, running great crews on varied and interesting projects.

We are energetic, young, and with an attitude towards growth and progress. We're part of a parent company that specialises in all parts of the supply chain for steel which means our support network is wide.

### About the role

We need someone with a fantastic attitude who has a willingness to get stuck in and add value, with a supportive team and management looking out for you every step of the way!

Your job will include:

- On site-based steel erection - installation of structural steel beams and structures
- Ensuring safety onsite - health and safety awareness
- Quality checks and operating equipment
- Some on site Structural steel welding/fabricating if capable

### Our ideal candidate will have the following skills/experience:

- Must be able to work as part of a team
- 4 to 5 years previous rigging experience - structural steel erection knowledge
- Must have Site Safe, EWP and Dogman tickets
- A commitment to Health and Safety
- Experience working at heights
- A good attendance record
- The ability to follow plans, instructions and work to deadlines
- Excellent communication skills
- Reliable transport (site-based role)

The hours for this position are Monday – Friday, 7am – 3.30pm. Hourly rate is negotiable based on skill level.

Please send your CV & Cover Letter through to [careers@leadingedgefab.co.nz](mailto:careers@leadingedgefab.co.nz) or call Natasha on 021 0825 4731 if you have any questions.

**Disclaimer:** Unfortunately, we don't always have the time to respond to all applicants. Only candidates who match the required level of skills and experience will be contacted.

**Structural Steel Fabrication & Erection**  
With over 50 years of industry experience
